

# U.S. Naval Sea Cadet Corps {{INSERT TRAINING TYPE}} Training, {{INSERT DATES}} {{INSERT TRAINING LOCATION}}

## Welcome

Site Updated {{INSERT DATE}}

Welcome to the USNSCC {{INSERT TYPE}} Training being held at {{INSERT LOCATION}} from {{INSERT DATES}}. Our goal is to provide the cadets an introduction to the life of US Navy personnel, and basic instruction in a variety of topics.

### CONTACTING CADETS AT THE TRAINING

For emergencies, calling {{INSERT PHONE NUMBER}} will be the fastest way to reach a staff member. The cadet will probably not be able to be brought to the phone, so explain the situation to the staff member and they will take the appropriate action.

Cellular phones brought by cadets will be confiscated at check-in and will not be returned until the end of training.

While trainees are not allowed to send e-mails, they may send U.S. mail to family and friends and may receive e-mails. Click on the link below if you would like to send an email to a cadet or staff member. DO NOT send any emails after {{INSERT

Due to the nature of this training, and the fact that the training is being hosted on a military installation, cadets are required at all times to present themselves as mature and self-controlled. You may see sights in this training you are unaccustomed to, and you may be practicing some of what you learn on individuals. Your ability to participate as a member of the team is paramount. There will be classroom and hands-on learning in a wide variety of topics, including {{INSERT TOPICS}}.

We will also have the opportunity to meet professionals, especially service members, who have completed advanced training and work in specialty fields. There will also be some time (not a lot) for recreation and socialization.

As the training progresses, we plan to upload news and photos from each day; select the day you would like to view from the buttons to the left.
